

During the pandemic, all of us would probably do the same as the students from our school. The Spanish fairytale inspired our students to think of situations for finding an easy way out of a problem (i.e. a reason to sell their soul to the devil). The result is – two different versions of the Spanish fairytale which have a form of a WhatsApp chat between a teenager and a “devil”. You can see the result in the screenshots below:

Yes, life is amazing 🥰 Yesterday i met Taylor Swift and we became friends, she even said she was a huge fan!! I cant believe this. I love my life so much, and its all because of you, devil!! I will preach you to my audience everyday because of this favour 🙌

after 5 months...

Five months left!! How are you feeling?? 🤔👁️

Nah devil 🙌 I FOUND OUT THE TRUTH ABOUT YOU 😬 All the celebrities i talked to told me you are trouble and i am doing more bad than good to the world by preaching you and your dumb followers!! Everyone told me how after these 12 months i will be your slave, and i would never want to do something like that!!! pray now, go to church and I believe Jesus will save me from you, like he did everyone who figured

OMG!!!! 😱👿

HOW COULD YOU DO THIS TO ME????? 😱

I THOUGHT WE WERE BESTIES FOR LIFE 😭😭

You figured it out, Jesus is stronger than me ... 🙏🙏🙏
